

Take action to end big money politics!

We know that until we get big money out of politics, climate progress is unlikely. Under the current broken system, large corporations spend millions to elect politicians who in return allow them to bring our planet to the brink of destruction – all while ignoring the voices of everyday Americans who are worried about our climate. Join with MAYDAY to pass fundamental reform and fix our democracy, so we can save the planet for future generations.

Name*: _____ Address: _____

City: _____ State: _____ ZIP*: _____

Phone*: _____ Email*: _____

I'm willing to...

- ☐ Attend a rally to pressure lawmakers
- ☐ Knock on doors to tell my neighbors about candidates and legislation
- ☐ Call other volunteers to participate
- ☐ Other – You tell us how you'd like to help! _____
